

Richardson Park – Request for Proposals

Returnable Schedule 5 – Community Benefit

Proponents must provide a description of long and short term benefits to the community (e.g. association members, local residents, neighbouring residents, general Darwin community) from redevelopment and utilisation of the Site including;

- benefits to be derived from sporting and other community uses .
- market research that supports the demand for the proposed use of the Site;
- whether the use of the Site aligns with any government and / or local council initiatives.
